

# Invitation<sup>✈</sup>

Dear valued guests,

Tokyo Metropolitan Aviation Network (TMAN), a community of SMEs in Tokyo and its vicinities, will exhibit our products for the first time at this year's International Paris Air Show.

TMAN is made up of the SMEs with world renowned technical capabilities and proven track-records. We aim to build a scheme that can arrange and offer an integrated production system fulfilling technical, equipment, and quality requirements for each aircraft part produced.

We will be located in Hall 6 stand A34. Your visit to the TMAN's booth would be greatly appreciated.

Yours sincerely,

Tokyo Metropolitan Government

The following exhibitors will represent the TMAN out of 50 companies of the network. We believe these talented manufacturers should be shown to you, as their products are highly respected and valued in the market.
